We aim to bring innovation through intelligent token design and governance with the intention to help mass adoption of decentralized technologies worldwide. This platform is our sincere effort to help the world to become more decentralized through technology.

WHY BUY PAYZUS ?

- **Fund Security** - Payzus has a mechanism that ensures that you will never lose your hard-earned money. Payzus token assures that your funds are stable & safe. Meaning, if in the future the price of pzs token decreases on other exchanges, the price of **PZS token will remain constant** on ico.payzus.io (Payzus) platform at the price you bought the token. your initial investment amount will be stable. Thus, there is **no risk and loss**.
- **Redeem Easily** - You can redeem your money 25% each month into 4 parts. You can directly convert pzs token into usdt and transfer that amount to your wallet. You also have 2nd option that you can sell the token on other exchanges to earn good profit.

Get returns without the risk of losing the principal amount.

PAYZUS TOKEN

"PZS" is basically an ERC-20 token, which would be used to govern the Payzus ecosystem in near future. As a holder/owner of "PZS" tokens, you will have the following benefits/powers:

- To propose updates/solutions and decisions for the growth of Payzus Ecosystem
- Stake "PZS" tokens to earn PZS-Utility Tokens
- Vote on those proposals. The greater the amount of PZS token you'll hold, more the voting power you will have.
- Decide and Manage the issuance of PayZus Utility Tokens
- Total no. of token available for sale - **30,00,000 only**
- At the **special price of \$0.11**
